

QUESTIONS? Ask at a Reference Desk > Call (718) 990-6727 > Ask us! at libraries.stjohns.edu/askus

Technologies in the Libraries are designed to provide quick and flexible access to the resources and services required by both faculty and students for an effective educational experience. Following is a selective listing of the services found at the St. John's University Libraries, along with a brief summary of what each service provides. Links to these and other services can be found on the Libraries' homepage: <http://libraries.stjohns.edu>.

MegaSearch

Enables searching across multiple resources organized by subject; or choose a customized list of databases to search.

<http://libraries.stjohns.edu/megasearch>

Full Text eJournals

Search to find whether a periodical is available full-text online: <http://libraries.stjohns.edu/ejournals>

Also, look for this button when searching to help you find the full text of articles.

Reference Services

Ask us! is a 24/7 e-mail reference service. Average response time is less than four hours.

<http://libraries.stjohns.edu/askus>

Telephone and in-person reference services are also available during regular library hours:

Queens 718-990-6727

Staten Island 718-390-4460

TurnItIn

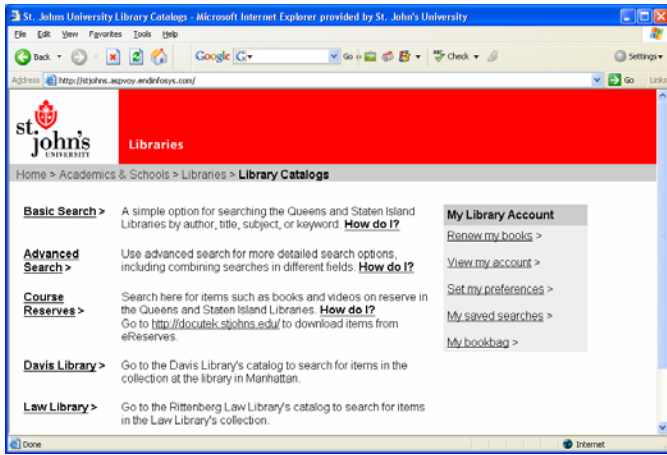

An online service designed to help students understand and avoid plagiarism; and to assist faculty in the detection of plagiarism.

<http://libraries.stjohns.edu/turnitin>

Ref Works

Bibliographic management software to assist both faculty and students in the organization and use of the citations required for today's research.

<http://libraries.stjohns.edu/refworks>

Library Catalogs

The catalogs will guide you to the materials owned by the Libraries both physically and electronically.

Main: <http://stjohns.aspvoy.endinfosys.com/>

Davis: <http://stju.ipac.dynixasp.com/>

Law: http://lawlibrary.stjohns.edu/screens/idx_opac.html

Interlibrary Loan

If we don't have it in our Libraries, we'll try to get it for you from another library. Quickly and easily submit requests online.

<http://libraries.stjohns.edu/ill>

Workshops

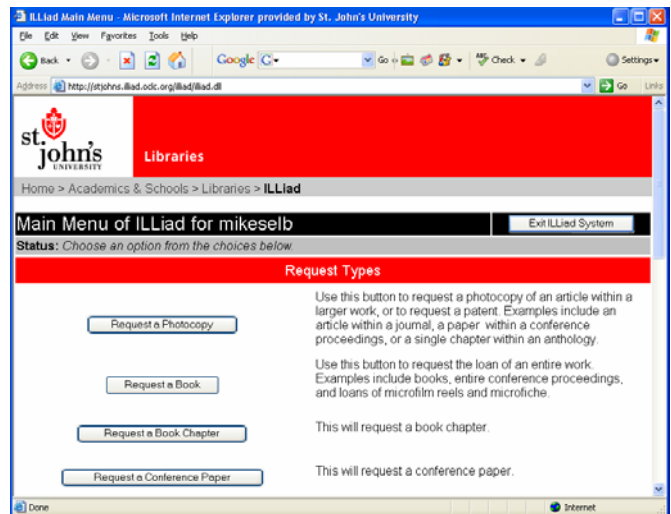

A variety of short, hands-on sessions during the common hour to help students learn to conduct effective research.

<http://libraries.stjohns.edu/workshops>

Instructional Services

Our librarians work directly with faculty to integrate information literacy into their course content – modifying existing assignments, integrating information literacy into course material, and assessing students' information literacy competency.

<http://libraries.stjohns.edu/instruction>

eReserves

Provides 24/7 access to course materials placed on reserve by faculty members.

<http://docutek.stjohns.edu>

Queens 718 990 6069

Staten Island 718 390 4359

Online Tutorials

Self-guided instruction for using many of the Libraries' resources and learning information literacy and research skills.

<http://libraries.stjohns.edu/tutorials>

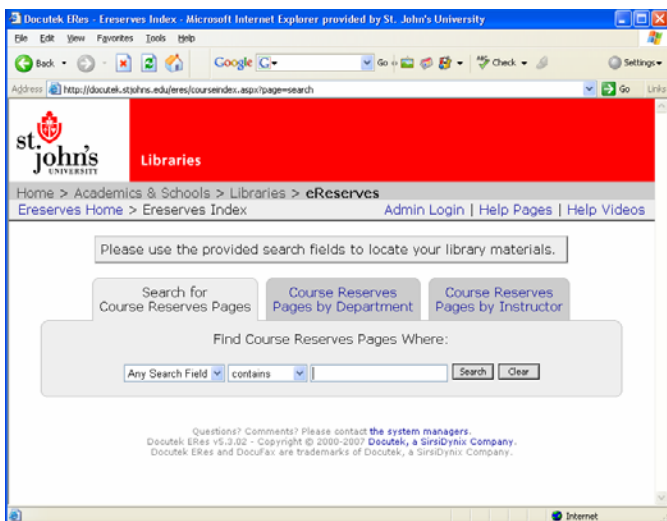

Online Video

The Libraries provide more than 75 videos in a variety of academic disciplines electronically through FMG.

<http://libraries.stjohns.edu/fmg>

Many more video titles are available in VHS and DVD formats from the Media Center.

<http://libraries.stjohns.edu/media>

Academic Podcasting

The Libraries have started to capture digital audio of programming and events in the Libraries and elsewhere that offer unique, mission-oriented content, enliven academic and student-life engagement, and enrich academic resources.
